- A full-stack blog website to log the price of a smartphone and see the value change graphically
- Typescript, Laravel, PHP, React, MySQL, MaterialUI, React testing library, and 3rd party integrations.

WORK EXPERIENCE

WEB DEVELOPER , FULL-STACK WEB DEVELOPMENT BOOTCAMP(A+) | 2022-2022

PRIVATE TUTOR, EXCEL LEARN GLOBAL, BIRMINGHAM | 2017-2022

- Independently organised and structured group lessons for up to 12 children aged 12-17.
- Increased student retention time to three years due to my friendly teaching method.
- Started with a single 1:1 lesson; within two years, I was responsible for three small groups.
- Kept up-to-date with exam specifications and exam techniques to remain a relevant tutor.

RESTAURANT SERVICE STAFF, LASAN GROUP, BIRMINGHAM | 2021-2022

- Collaborated with a team of 15 personnel to ensure high-end customer service to up to 320 customers.
- Planned times of high demand by tracking inventory and reservations; on average, the restaurant received three positive Tripadvisor reviews during my shifts.
- Dealt with customer complaints by analysing the situation critically, actively listening to the customer, and following the company protocol.

EDUCATION

THE UNIVERSITY OF BIRMINGHAM | MSci CHEMISTRY (2:1) | 2017-2021

- Tech support and dance assistant for the university's Latin salsa society.

SHIRELAND ACADEMY | A LEVELS CHEMISTRY (A), BIOLOGY (A), MATHS (A), AND SPANISH (A)| **2015 - 2017**
